

## DRESS CODE POLICY

*Assalamu alaikum wa rahmatullahi wa barakaatuh*

This policy relates to dress code when visiting ICBC premises. We request all members and visitors to comply with this policy.

- Islam prescribes a conservative dress code for both men and women.
- Attire worn in mosques should be modest for both men and women.
- Men (and boys) shall wear loose, unrevealing clothing. It is most appropriate to wear long pants. Pants should extend past the knees.
- Sisters (and girls) shall be dressed in loose, unrevealing clothing. For example, loosely fitted dress that covers the arms and legs and a headscarf covering the hair as well as neck area.
- Both men and women should remove their footwear prior to entering the prayer areas and leave them in the shoe racks.
