# PROGRAMS & ACTIVITIES

O you who have believed, decreed upon you is fasting as it was decreed upon those before you that you may become righteous

*Surat Al-Baqarah 2:183*

The month of Ramadhan [is that] in which was revealed the Qur'an, a guidance for the people and clear proofs of guidance and criterion. So whoever sights [the new moon of] the month, let him fast it; and whoever is ill or on a journey - then an equal number of other days. Allah intends for you ease and does not intend for you hardship and [wants] for you to complete the period and to glorify Allah for that [to] which He has guided you; and perhaps you will be grateful.

*Surat Al-Baqarah 2:185*

"Allah has made Laylat al-Qadr in this month, which is better than a thousand months, as Allah says...The Night of Al-Qadr is better than a thousand months. Therein descend the angels and the Rooh (Jibreel) by Allah's Permission with all Decrees, there is peace until the appearance of dawn.

*Surat Al-Qadar 97:1-5*

Abu Hurayrah (may Allah be pleased with him) reported that the Prophet (peace and blessings be upon him) said: **When Ramadan enters, the gates of Paradise are opened, the gates of Hellfire are closed and the devils are chained.**

*(Al-Bukhari and Muslim)*

Abu Hurayrah reported that the Messenger of Allah (peace and blessings be upon him) said: **Every action a son of Adam does shall be multiplied—a good action by ten times its value, up to 700 times. Allah says: With the exception of fasting, which belongs to Me, and I reward it accordingly. For, one abandons his desire and food for My sake.**

*(Al-Bukhari)*

There are two occasions of joy for a fasting person: one when he breaks his fast, and the other when he meets his Lord, and the (bad) breath (of a fasting person) is better in the sight of Allah than the fragrance of musk.

*(Al-Bukhari)*

## PARKING AND SECURITY

### PARKING

#### During Iftar/Maghrib prayer times:

Whereas we are blessed with approx. 220 parking spaces at our Center, we expect large attendance during the blessed month. We will also use the "green space" in our premises to park another 20 vehicles. Our neighbor has permitted us to use her land for parking; we estimate approximately 60 vehicles can be parked there. Hence, a maximum of 300 vehicles can be accommodated for Iftar/Maghrib time. Once the lot is full with the above capacity, we will send a notification through our official WhatsApp group to inform that the parking lot is full. No additional vehicles will be allowed to enter our premises and the three gates will be closed.

Double parking is not allowed, and parking WILL NOT be allowed in any no-parking zones. If you are informed by our volunteers that our parking lot is full, please respectfully exit the premises.

Please carpool to ICBC whenever possible. This will allow us to accommodate the maximum number of community members.

#### During Isha /Taraweeh prayer times:

We have also secured permission from the Vista Ridge High School (VRHS) to use their parking lot from 9 PM onwards, accommodating about 100 vehicles. We will have shuttle service to/from the Vista Ridge High School to ICBC every 15 minutes to facilitate transportation to the masjid for Isha/Taraweeh prayers.

If the masjid parking lots have been communicated to be full, those coming to attend the Isha/Taraweeh prayers should go directly to Vista Ridge High School parking and take the Shuttle service; this will save valuable time.

#### Summary:

Iftar/Maghrib times - Available Parking: 300 Vehicles

Isha/Taraweeh times - Available Parking: 400 Vehicles (300 at ICBC + 100 at Vista Ridge HS)

Double-parking and parking in no-parking zones will not be permitted.

Parking along Brushy Creek Road is not allowed and is not a safe location to park vehicles.

Please be courteous to your fellow brothers and sisters who are serving as volunteers and the police officers in charge of traffic control. Follow their instructions.

### SECURITY

We have contracted with the Cedar Park Police Department (CPPD) to deploy Off-Duty police to provide security at our Center during Friday Jumu'ah prayer times as well as during Taraweeh prayers, Iftar (Fridays through Sundays) and Youth Qiyaam nights.

We will also use the services of two contracted personnel for traffic control.

Additionally, the Cedar Park Police department has also increased surveillance at our premises throughout the day. May Allah SWT protect us and keep us safe, Aameen.

## FACILITIES, MAINTENANCE & SAFETY

### FAMILIES WITH SPECIAL NEEDS CHILDREN

### BABY SITTING

- Baby sitting Service will be available during Isha/Taraweeh prayer times on Friday and Saturday at the Men's old masjid. There will be an hourly fee for this service.

### MASJID CLEANING

### SAFETY

- The construction of the future Education & Activities Center (EAC) is in full swing. We request everyone to stay out of the construction zone. Please also make sure your children do not go near that area. Debris and sharp objects could cause harm. Please exert caution when coming to the masjid, especially for Fajr and Isha/Taraweeh prayers when it is dark.
- We apologize for the inconvenience.

## GO GREEN INITIATIVE

We recently launched an ambitious project at our masjid to be responsible citizens to protect a treasure from Allah SWT— our environment. Our Imam Jawad has dedicated Jumu'ah khutbahs to this topic. *Alhamdu lillah*, we have an active team of volunteers who are implementing key initiatives that incorporate the following salient points.

### No plastic water bottle

- Plastic water bottles are one of the leading causes of plastic pollution in the world

### Bring your own bottle

- We can all play our part by choosing to bring our own reusable water bottles

### Refill water bottles at filling stations

- Utilize water filling stations at ICBC

### Conserve water during Wudu

- Be mindful of conserving water when performing Wudu

### No Styrofoam products

- Use ecofriendly disposable products for plates and cups

### Bike to the Masjid when possible

- Health benefits
- Reduce greenhouse gas emissions---save the environment
- Bike racks installed at ICBC

### Choose to be Green

- Participate in eco-friendly activities like reducing the waste by carrying leftover food home
- Recycle when possible

In the spirit of environmental conservation, ICBC will provide drinking water through water dispensers instead of individual water bottles. We encourage the community members to bring their own reusable water bottles.

We request everyone's support, cooperation, and active participation in this noble initiative.
